

INVITATION TO A PUBLIC BRIEFING

ST HELENS CHURCH WEDNESDAY 1ST NOVEMBER AT 7.30 PM

St Helen's Church Northwich is working on an ambitious project to increase its role in the life of the town. We want to make our wonderful building, the oldest and most beautiful in Northwich, a living heart of the community supporting a better life for everyone.

Our plans have four parts – better facilities in the church, additional facilities in an extension to the church, cleaning and repair of the building exterior and sensitive re-landscaping of the churchyard.

To find out more please come to a free public briefing in St Helen's at 7.30 pm on Wednesday 1st November. See and hear about work in progress from our architect and landscape architect and hear from church members how this will happen.
